100 SPECTACULAR KIDS!!!

We open our season with a revival of one of our biggest hits! Jonathan McKenzie returns as "Joseph" along with a huge cast. Featuring a variety of musical styles from country to calypso, cabaret to Elvis rock-n-roll, it'll totally entertain all ages.

50th anniversary productions are due this year in London and NYC, as well as a new motion picture. Running two weekends, it's sure to fill the Arabian.

America's favorite comedy writer based this on his own life as a 1930's Brooklyn teen. Coming of age may not be easy - *but it sure can be funny!* The three things always on his mind? Girls... Yankees baseball... and becoming a comedy writer!

This funny play is not only Simon's greatest, but also his most moving. As a critic said, "I laughed, then I cried, then I laughed again because I cried."

A deliciously hilarious show about a dizzy group of actors staging a new comedy - but they just can't get their "act" together. Mix in lots of slamming doors with offstage romance and intrigue, and you have what's been called the "funniest farce *EVER*."

First you see them acting the show ON the stage, but then the set turns and you see what's going on BEHIND the scenes - *and that's even crazier!*

Beauty is in the eye of the ogre!! It's a "big bright beautiful world" as everyone's favorite ogre, Shrek, leads a cast of fairy tale misfits on an adventure to rescue a princess and find true acceptance.

It's a super funny and romantic musical perfect for the whole family. Come and see just how much the 100 kids from our annual summer camp will make you smile... and laugh...and cry.

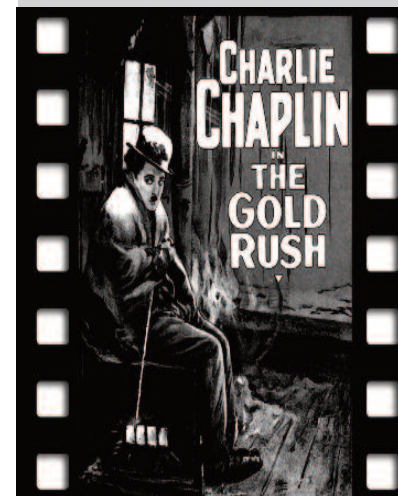

NEW THIS SEASON!

A SILENT MOVIE SPECTACLE!
ON APRIL 7, 2018

The Arabian Theatre opened April 1927. Our recent 90th Birthday celebration was so enjoyable, we're making it an annual event, and admission is included as a BONUS for our season ticket holders!

We'll have another 1920's costume party showing Charlie Chaplin's masterful comedy *THE GOLD RUSH*. His hilariously famous "Little Tramp" is a gold prospector that becomes trapped in a deserted cabin during a snowstorm, and it features the comedian's most beloved bits and silliest moments. It's one of the American Film Institute's "100 Greatest Movies."

WHAT A FUN NIGHT!
